

SO SO G @

"I don't make love. I fuck." ok I laughed.
Oh boy the MLP room!

Red room revealed. Someone in the back
of the theater says audibly "yes please"
She can leave at any time but did he just
lock the door?

"I do this to women. With women. Women who
want me to." well at least there's that.
(Hurricane down, I am not even fucking around.
This shit is so awkward I could,

"We have to be honest with each other for this to work"
Huh,

She's a virgin. He tries to stick his thumb in her
mouth.

The first sex scene, another ballad starts.

I have not had enough booze

Send help why
why this

NIPPLES

→ oh apparently not
what a jackass

Oh no he's going to do oral how dancing whatever
he has nipples too

And a butt

there is a butt

this soundtrack this soundtrack why.
Vanilla missionary position with
a love ballad okay then.
